Dear Mr. Newman, As requested, our invoice for "Counterfeit Reports" is enclosed. Regretfully, there really is no saving in postage as the charges rise with the weight and any difference is fractional. Thank you for your kind letter of the 31st. January - you're only too right in your comments!

Dear Vincent:

I will be in England for a few weeks in October-November of this year and hope to visit with you. I hope you have already seen my friend, Dr. Peter Gaspar, who is presently working at your Mint with Mr. Dyer and who is also from St. Louis.

Your office asked me to send \$30 for the Bulletins, which is enclosed.

With respect to the Counterfeit Reports, all of which I purchased a few months ago, I have received all except the following:

#34 through 43
#82 through 96
#102 through 120
#122 through 158
#219 et seq.

Some of these could still be in transit, but since the reports seem to have been mailed in random order I have no way of knowing what to expect. Please be kind enough to advise me what might not have been mailed as yet.

Do you want to publish some American Colonial coin forgeries which have shown up here? The A.N.A.C.S. has photos, measurements, and my comments on the deviations. I wrote an article on some in the April, 1979 Numismatist. Please write A.N.A.C.S. if you wish to have them send you the data.

Kindest regards,

Eric P. Newman

Dear Friends:

The set of forgery reports which I purchased have stopped
coming and I am missing the following:

82 through 89	(8 reports)
106 through 112	(7 reports)
123	(1 report)
129 through 132	(4 reports)
231 and following	(possibly not yet issued).

With the mails as they are we are fortunate to have received
the balance. Would you kindly send the missing group to us.

Thank you for your cooperation.

Sincerely,

Eric P. Newman

Dear Vince:

Just a note to tell you how much I enjoyed our talk in London. The connivances never seem to stop when it comes to forgery of numismatic items. Keep up the good work.

I enjoyed seeing Graham Dyer at the Royal Mint, Miss Hare at Goldsmiths' Hall and Tony Ballard of the Bank of England. I had a numismatic holiday with them and with the dealers as well.

Kindest regards,

Eric P. Newman

Dear Sir,

As you will see from the enclosed, the cheque to yourself from Messrs. Noton and Noton Ltd. which you sent in part payment of the 1980 subscription to the "Counterfeit Reports" has been returned to us marked "Refer to Drawer", payment having been refused by the bank upon which it was drawn. Your account has therefore been debited accordingly and a statement of account is enclosed. We should be grateful if in future you would pay by cheques on your own account since, as you can gather, this method does lead to time-consuming complications.

Yours faithfully,

K. Garner (Miss)

Dear Friends:

I just received Volume 11, Number 2, of the bulletin. I find that I did not receive Volume 11, Number 1, nor did I receive Volume 9, Number 2, if there was any. Otherwise my set seems to be complete. Would you be nice enough to send me the missing numbers. I am arranging to have the payment for Volume 12 sent in by a friend.

Please send this request to Zurich if that is where the extra copies of the Bulletin are mailed from.

Thank you.

Sincerely,

Eric P. Newman
